

Newspaper Contacts, State of Hawai'i

(compiled by Elaine Yamashita)

WHO: Early Education and Care Staff,
Elementary School Staff, Community Leaders

WHAT: Spreading the good news

WHEN TO USE: All the time. Extra effort for deadlines such as
kindergarten registration and for special events to invite parents/families.

WHY: Although parents are often notified by school newsletter,
it is important for all schools to publicize important events
in their local newspapers so the general public is aware of events.
