

Aloha Preschool/Head Start/Child Care Center

Sample Letter to Parents

early January

Dear Preschool Families,

If your child will be 5 by December 31 of this school year, it is time to start thinking about Kindergarten registration. Please check with your child's doctor to see which immunizations you will need before Kindergarten begins.

You will also need a copy of your child's birth certificate, baptismal record, or passport to register for school. Please call the elementary school where you plan to register and find out the date of registration (available in TOOLKIT - Tab 4) and exactly what you will need to register your child.

We have a list of the telephone numbers for each Elementary School on our Island posted on our Parent Board by the front door. There is a box with scratch paper and pencils right next to it so that you can write down the number.

Let us know if we can help you in anyway. It's important to have everything you need to register your child for Kindergarten ready by February.

Aloha, Your Preschool Teachers
